

Artists memberships to the Deep-Sea Biology Society

We offer free memberships to the Deep-Sea Biology Society to all professional or aspiring artists willing to share their productions and knowledge of various arts with our community of deep-sea biologist and Society members.

We created 2 membership levels:

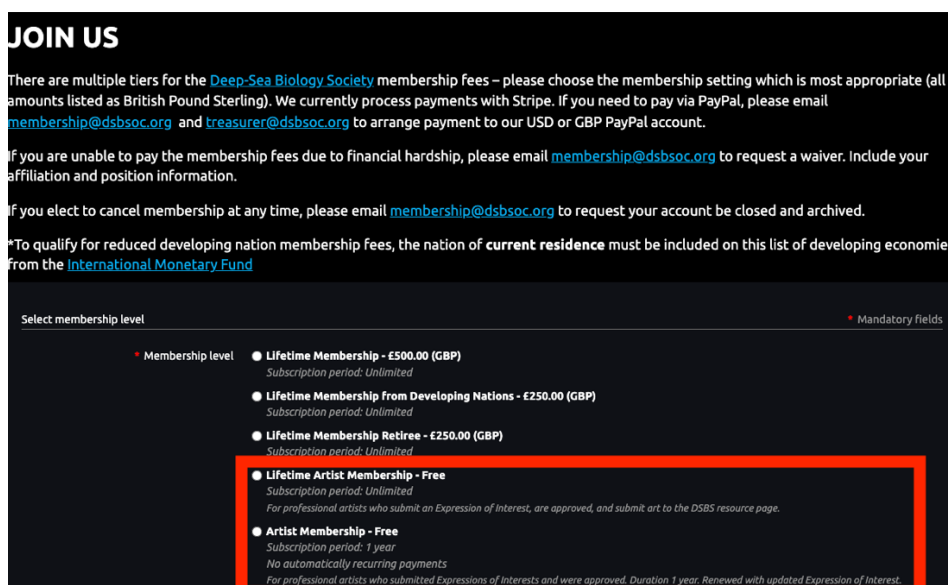

- **Lifetime Artist Membership**
 - Condition: submit an Expression of Interest; get approved; submit art to the DSBSoc resources page.
- **Artist Membership** (Subscription period: 1 year)
 - Condition: submit an Expression of Interest; get approved (renewed with Expression of Interest).

To submit art to DSBSoc, please contact both communications@dsbsoc.org and development@dsbsoc.org. You can directly share files (e.g., description text on a file + high-resolution picture in another file) on [this g-drive](#) (please make a folder with your name).

We are aware that an art piece can take many shapes and that framing it can be important to you. Therefore, feel free to conceive the format into which your art should be share. We are notably open to adapting our website to best host artists portfolios (we currently use WordPress – if you are talented with HTML/CSS and willing to improve the arts, let us know!)

To join us, please follow this guide:

1. Go to <https://dsbsoc.wildapricot.org/>
2. Select you “Artist membership” level and fill in your information:
